

Know what's below before you dig.

Call **811** or visit **gopherstateonecall.org** before starting any digging project—big or small—and all underground utility lines in your project area will be clearly marked for your safety and the safety of others.

AN ALLETE COMPANY

Look up. Look out.

Before tackling jobs around the exterior of your home this summer, remember to look up and make sure project equipment is clear of any overhead power lines.
