

Payments made easy. Enroll in Auto Pay.

We recently upgraded our Auto Pay system to better serve our customers. Sign up for automatic payments through MyAccount and take control of more than your monthly payments—see billing, payment, and energy use history; setup various alerts for your account; and manage your personal information.

Previously enrolled in Auto Pay?

As a part of the upgrade, all previous Auto Pay records were ended. We encourage customers to re-enroll in Auto Pay now that the upgrade is complete.
