Here's how to clear the air —and save!

Choose ENERGY STAR® air purifiers and dehumidifiers to improve your indoor air quality and deliver savings on energy bills without sacrificing performance, features or comfort.

- **Room air purifiers** remove dust and pollen that may be related to allergies.
- **Dehumidifiers** reduce excess moisture, eliminate bacteria in the air and protect your home from mold and mildew.

Act soon! Our standard rebates increase to **\$50 for air purifiers** and **\$35 for dehumidifiers** purchased from June 1-July 31.
