

A woman with short, curly grey hair and glasses, wearing a light blue hoodie, is smiling. She is holding a white smartphone in her right hand and a white smart thermostat in her left hand, pointing it towards the wall. The background shows a staircase and a window.

Comfort and control at your fingertips

Minimize energy costs, track energy usage, control your thermostat remotely

\$50 Rebate on Smart
Thermostats!

AN ALLETE COMPANY

Comfortable. Convenient. Smart.

Use your phone or tablet and a **line voltage smart thermostat** to control baseboard heaters in every room of your home. No more ugly dials or cold rooms! Maximize energy savings and comfort by automatically adjusting the temperature for day and night and get a \$50 rebate for each thermostat.

Don't have baseboard heaters? We also offer a \$50 rebate on **low voltage smart thermostats** so you can manage your home's electric furnace or air source heat pump wherever you are.

Details at mnpower.com/rebates

Be safe when installing a new smart thermostat. If needed, consult an electrician.
