

**Say goodbye to  
your old freezer ...**

**and hello to rewards!**

# Recycling your freezer is a **WIN, WIN, WIN!**

**WIN** by receiving an additional \$50 reward on top of the standard \$50 reward when we round up and recycle your old working freezer through March 31, 2014. **That's a total of \$100 in your pocket!**

**WIN** by saving energy and benefitting your home, community, and the environment. By participating in the freezer roundup, you can rest assured that your freezer is being properly recycled and that your wise energy choice makes a difference.

**WIN** with convenience and peace of mind. Simply place your order by calling **866-552-6755** or visit [www.mnpower.com/roundup](http://www.mnpower.com/roundup) and we'll pick up your old freezer, properly recycle it at no cost to you AND pay you for letting us pick up that energy hog!

Learn more about this promotion or how you can also be rewarded for recycling your old refrigerator or window air conditioner at

## Is your freezer older than the hills?

If you said "yes," we may have another reward for you ...

Old freezers use a lot of energy so recycling them saves energy and money (up to \$100 per year). Owners of the oldest five freezers rounded up by March 31, 2014, will receive an additional **\$50 reward** and may be featured on the Power of One® website.

**power of one**® ... it begins with you.
