HELP

keep the heat on

When you give to HeatShare you help your neighbors who are unable to pay their energy bills or don't have the money for heating-related repairs. Administered by the Salvation Army, HeatShare is a last resort for those struggling to find a way to keep their homes and families warm.

WHO is ELIGIBLE

- Those who are 55 and older with low, fixed incomes and no alternate source of help.
- Disabled persons whose physical capabilities or health problems limit their ability to maintain income to cover energy bills.
- Persons who have had an emergency within the past year – perhaps an unexpected health crisis – and as a result don't have the money to pay their energy bill.
- Those who meet income guidelines and have received or applied for all other possible public funds.

1. Make a monthly contribution of \$1, \$2, \$5, \$10, \$15, or \$20.
2. Make a one-time contribution in any amount.

Enclose the completed form on the back of this brochure when paying your next bill. If you choose to make a monthly donation, we'll set up your account so your specified contribution is included on your bill each month.

2 WAYS YOU can help

HOW HeatShare HELPS

- Energy conservation and education
- Budget counseling
- Financial assistance
- Family counseling
- Social service information and referral
