

Thinking of building
a new home?

AN ALLETE COMPANY

Build smart with Triple E New Construction!

Build comfort, durability, and energy-efficiency into your new home with Minnesota Power's Triple E New Construction Program!

"This is the first house we have built, and it probably will be our last, so we want to do it right. Our goal is to live in an energy-efficient home with manageable heating and cooling costs."

Toby Hickle, Homeowner and Triple E participant

Be sure to include Minnesota Power from the beginning of your project to qualify for up to \$2,000 in Triple E incentives. Simply call **218-355-2843** to get started today!
