

# Together, We've Made a Difference!

St. James Catholic School

David Johnson, Homeowner

Peterson Properties, Hermantown

Minnesota Power customers saved nearly **78 million kilowatt hours** in their homes, businesses and communities in just one year with Power of One® Conservation Programs!

THANK YOU FOR SAVING  
ENOUGH ENERGY TO:

Power 8,569 Homes

or

Take 16,543 Cars  
off the Road

or

Save 82,715  
Tons of Carbon

## Keep the energy-saving momentum going!

### For your home

Explore the Power of One® Portal, join the Power of One® energy team, or visit our website and find all of our energy conservation resources and rebates.

### For your business

Check out the Business Energy Advisor to find out how your type of business uses energy, learn about how other businesses have worked with us to achieve their energy-saving goals and fill out a One Business pre-application.

**Note:** Energy savings based on 2013 Conservation Improvement Program year.

### For your community

Visit our website to find out about energy events, educational outreach, and community-focused energy initiatives.

## You can make a difference.

Minnesota Power is here to help. Visit [www.mnpower.com/Difference](http://www.mnpower.com/Difference) to learn ways your energy-saving choices can make a difference today and into the future.

power of one® ... it begins with you.
