

How much energy can you save?

Let us help you get started!

mnpower.com/save

Smart starts to saving:

Home Energy Analysis

Begin building your own energy-saving plan by scheduling a home visit with one of our energy auditors. An auditor will analyze how you use energy, identify ways to save energy and manage costs, and even install some simple energy-saving products—all at no cost to you.

Learn more at mnpower.com/hea or by calling 218-355-2843.
