

**Why upgrade to  
an ENERGY STAR®  
freezer?**

**Ask Us**

AN ALLETE COMPANY

## Save energy

Freezers with ENERGY STAR certification are at least 10 percent more efficient than the minimum federal standard. Less energy used equals more money for you.

## Save money

Replacing a freezer that's over 10 years old with an ENERGY STAR model could save you \$165 over the next 5 years. **Plus, you'll earn a \$20 rebate** from Minnesota Power. (Must be purchased from a participating retailer.)

## Help the environment

ENERGY STAR-certified freezers use less energy and help reduce our impact on the environment.
