

Building a new home?

**We can help you
build smart with a
FREE plan review!**

AN ALLETE COMPANY

J-68826 | 19106 | 04.08.19

Our energy experts make it easier for you to build smart from the start

Get a FREE plan review (\$200 value):

- Modeling of heating options and estimated costs of operation
- Modeling of different types and levels of insulation and how it affects your home performance
- Evaluation of windows, doors, ventilation systems, and air sealing opportunities
- Review of rebates on energy-efficient lighting, appliances and HVAC systems from Minnesota Power

"This is the first house we have built, and it probably will be our last, so we want to do it right. Our goal is to live in an energy-efficient home with manageable heating and cooling costs."

Toby H.
Triple E Homeowner
Hinckley, MN
