

# BEAT the HEAT

this summer  
and **save energy** with  
**air conditioning rebates!**

# Save energy and money

with a variety of *cooling* options!

Ask a participating contractor about the benefits of an Air Source Heat Pump. You get heating and cooling all in one. You must work with a participating contractor to qualify for a rebate.

Learn more by visiting  
[www.mnpower.com/rebates](http://www.mnpower.com/rebates)  
or by calling 218-355-2843 (opt. 1).
