with

appliance rebates!

Get rebates on energy-efficient appliances and save energy for the long term. **It's a win-win!!**

When shopping for appliances, consider two price tags. The first one covers the purchase price and the second is the cost of operating the appliance throughout its lifetime. With rebates from Minnesota Power and the energy savings when you buy an energy-efficient model, you'll save money AND energy for years to come!

To learn more about these rebates, visit www.mnpower.com/rebates or call (218) 355-2843. Rebates valid through December 31, 2015.
