

To get started, simply register at mnpower.com/myaccount.

A convenient and easy-to-use tool that lets you view and pay your bill, track your energy use, and set energy use goals.

Take control of your energy use and save when you sign up for MyAccount

RPP is free if you enroll using a checking, savings or money market account. You will be charged a \$2.75 convenience fee if using credit, debit or ATM card. Monthly payments are the only option available.

Operated through Western Union Speedpay, RPP allows you to automatically pay your monthly electric bill. Select a date, and each month a payment will be withdrawn from the bank account of your choice or posted to a credit, debit or ATM card.

Recurring Payment Plan (RPP)

Make a one-time payment (Western Union Speedpay®) savings or money market account, or credit, debit or ATM card. You will be charged a \$2.75 convenience fee.
