

power  
out?

Report it....

AN ALLETE COMPANY

## Outage Information Center

Keeping your power on is a priority for Minnesota Power, but unfortunately circumstances beyond our control can cause power outages. Our crews are ready to safely restore your service as quickly as reasonably possible. If your electricity is out, please contact us immediately. The more reports we receive, the more accurately we can determine the extent of the outage and its cause.

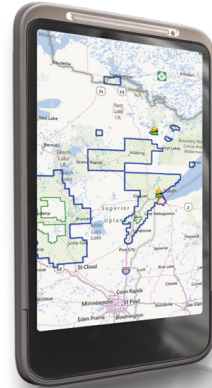

## Outage Map

View current power outages located in our service territory.

## Safety

The first rule of safety is do not touch a power line or anything touching a power line, such as tree limbs, tools and toys. Even power lines that have fallen may be dangerous and should not be touched or moved.

## Minnesota Power's MOBILE APP!

Report an outage, view current outages in your area and get an updated report on repair status.
