

Bidder Questions WE 3.8.2024

1. Is there a procurement target (%) for BOT vs PPA contracts?
 - A. No

2. Could you speak to the buyout provision required for PPA bids Would MP be receptive to receiving an initial bid offer for a 15-year buyout provision?
 - A. MP has a preference for an earlier buyout provision but would be open to considering a 15-year buyout provision as part of the PPA negotiations.

3. Would MP be willing to consider term lengths greater than 25 years?
 - A. MP has a strong preference for PPA terms of between 20 and 25 years, but as part of a PPA negotiations would consider a longer term.

4. How long does MP expect their reg process to take for a BT or a PPA?
 - A. Once projects are selected, it will take 1-2 months to complete the MPUC regulatory filing and then the MPUC usually takes between five to nine months.
