2024 CFL Fluorescent Bulb, Tube, and Lamp Recycling Program

Minnesota Power makes fluorescent light recycling as easy as a trip to your local hardware store. And we'll even help pay the recycling fee.

Here's how it works:

- Free recycling of Compact Fluorescent Light Bulbs (CFLs) with coupon. Simply bring your used CFL and a FREE recycling coupon to a participating retailer (see list on back).
- 50 cents off the recycling fee for qualifying fluorescent tubes and lamps.*
- During 2024, Minnesota Power will redeem up to 10 coupons per household or small business if you are a Minnesota Power customer.

**Circular fluorescent tubes, U-bend fluorescent tubes, high-intensity discharge lamps, fluorescent tubes up to eight feet in length.*

Fluorescent bulb, tube, and lamp recycling is good for the environment, and it's the law.

Used fluorescents and high-intensity discharge (HID) lamps require special care because they contain a small amount of mercury. Because it's important to limit the amount of mercury entering our environment, Minnesota law states that fluorescent bulbs cannot be disposed of with your household garbage.

Learn more about energy conservation by visiting mnpower.com/EnergyConservation

Minnesota Power partners with Mercury Technologies of Minnesota, Inc., in Pine City, MN, and area retailers to provide a recycling program for fluorescent lamps/bulbs.
