*Rebate amount may increase if you meet income-qualified program guidelines or the installation occurred at a multifamily property (5+units). If either applies, your rebate amount may automatically increase after verification.

SECTION 1: ELECTRIC VEHICLES

To qualify for the electric vehicle rebate residential customers must participate in one of the following Minnesota Power rates:		Residential EV Service Rate	Residential Time-of-Day Rate	Residential Dual Fuel
Are you already enrolled in one of the following rates: Residential EV Service, Time-of-Day or Dual Fuel Standard?		Minnesota Power's EV service rate offers a discounted Off-Peak rate for charging at home. Requires a second service meter to bill you at a discounted rate.	Minnesota Power's Time-of-Day rate charges higher electricity prices during weekday peak hours when demand is highest and lower prices during Off-Peak hours. Time-of-Day rate does not require a second service/meter.	Dual Fuel is an interruptible service rate designed primarily for electric heat that provides customers with a discount in exchange for occasional interruptions. Requires a second service/meter to bill you at a discounted rate.
<input type="checkbox"/> YES <input type="checkbox"/> NO If no, are you willing to be opted in to our Time-of-Day rate? (If select yes, you'll be automatically enrolled after verification).				
		<input type="checkbox"/> YES <input type="checkbox"/> NO		

If you have any questions on these rates, please contact: electricvehicles@mnpower.com or by phone at 218-355-2843.

Commercial rates vary. More information on rates:
